Dear Friends and family of the Hominy Valley Youth Cheerleaders,

Please let me take a minute to introduce myself. My Name is Sammi Bryant and I am the commissioner for the Hominy Valley Youth Cheerleaders, more commonly known as Enka Youth Cheerleaders. This is my second year in a leadership role with this particular organization, although I have served as coach and commissioner for other local youth leagues as well as N2it youth Cheerleading program locally. I grew up cheering in this very program and find it to hold a very near and dear place to my heart. I truly enjoy being a part of a Non-Profit organization that has and does teach children the fundamentals of cheerleading and the importance of team work; all while fostering good sportsmanship. Our program has 4 groups of cheerleaders; Mascots ages 4, Termites ages 5-8, Mites ages 9 & 10, and Midget ages 11-14. On average we have anywhere from 30-50 participants and look to only grow this number.

Cheerleading has become a very expensive sport and unfortunately the children of this program are in need of new uniforms. We, as an organization are writing you this letter in hopes that we may request a donation to help support the children and assist the Hominy Valley Youth League in providing a quality program for the children of our community. Our Program for the upcoming year is \$399.00, each participant has to pay this fee in order to participate. This high expense for the program includes a warm up suit, pom-poms, game & competition Bow, cheer shoes, and a few other basic necessities. In addition, the league would like to purchase the uniforms to have on a loaner basis for the children so that we may offset some of the cost for the parents. Uniforms this year will cost the league approximately \$180.00 each. If our program can raise enough money to buy uniforms, then we can help keep the cost low, which in turn will allow more children the opportunity to cheer. The level of promotion is based upon donations as noted below.

I would like to thank you in advance for your time in reading this letter and in your consideration to support this organization. Again all donations will be used for new uniforms for this program. If you have any further questions, please feel free to contact me directly at the information below.

Sincerely,

Sammi Bryant- Commissioner
